Dear Members of the Arizona Corporation Commission,

Please Vote NO to the requested increases to our utility bills!

Being a small business owner and an APS customer I have experienced the harmful impact on my business of increases like this in the past.

While moving forward in this case, please take into consideration the implications that could result from these requests.

Please Vote NO on an increase in rates and please Vote NO to an increase in the monthly service charge.

Sincerely, *Resmi Gran*
